

MoDOT Minute – Jan. 4, 2010

Hi. This is Sally Oxenhandler with your MoDOT Minute.

As a new year begins, MoDOT is urging you to make a pledge to Drive Clear in the New Year to reduce deaths and injuries related to impaired driving. By taking the Drive Clear in the New Year quiz, located at [www.modot.org](http://www.modot.org), you'll be entered to win one of four \$20 gas cards donated by MFA Oil and Break Time. Contest winners will be randomly drawn and announced Jan. 7. Ultimately, everyone wins if motorists choose to drive sober.

Construction of the main span of the new Mississippi River Bridge in St. Louis is back on track after flooding earlier this year delayed work. The contractor has been working extended hours to get the project back on schedule. The bridge, which will connect downtown St. Louis to southwestern Illinois, is scheduled to open to traffic by January of 2014. For more information, visit [www.newriverbridge.org](http://www.newriverbridge.org).

That's been your MoDOT Minute. Remember to check back every week for new information.
