

MoDOT Minute – June 8, 2010

Hi. This is Sally Oxenhandler with your MoDOT Minute.

Ninety percent of people who took an online survey say MoDOT work zones are meeting their expectations for safety and efficiency. More than 2,000 people have provided feedback since the survey was made available last year on the department's website. The survey lets travelers comment on such things as whether they received enough warning about the work zone and if the speed limit was appropriate. To get information on construction work taking place statewide visit MoDOT's Traveler Information Map, located at [www.modot.org](http://www.modot.org), or call toll-free 888-ASK-MoDOT.

Be one of the first to find out who won the "Catch a Train, Catch a Game" Sweepstakes sponsored by Amtrak, MoDOT and the Missouri Division of Tourism. The two grand prize winners will be announced June 18 on Facebook and Twitter, both of which can be found on MoDOT's website, [www.modot.org](http://www.modot.org).

That's been your MoDOT Minute. Remember to check back every Tuesday for new information.
